RULING

1. I have perused the exparte Chamber Summons dated 28th November 2024 filed under certificate of urgency. I find no urgency involved. I decline to certify it as urgent.
2. I have perused the orders sought. The Applicant seeks for leave to apply for Judicial Review as the substantive prayer yet the prayer does not disclose what Judicial Review orders are being sought.
3. I find the application fatally incompetent as the orders sought are barren of any substance. The application dated 28th November 2024 is struck out for being incompetent. The applicant is at liberty to file a competent application for consideration. This file is closed.
