**RULING**

1. The appellant made an oral application inclusion of the period he was in custody in his sentence of 10 years imprisonment.
2. The appeal by the appellant against the conviction and sentence was dismissed on October 14, 2022.
3. I have perused the record and it is clear that the appellant was first arraigned in court on June 6, 2019 and sentence to 10 years imprisonment on February 13, 2020 after a period of eight (8) months.
4. I direct that the period of eight (8) months be deducted from the 10 years jail term.
5. The sentence of 10 years will start from June 6, 2019 and not from February 13, 2020.

Orders to issue accordingly.
