**COURT SENTENCE**

I have considered mitigation by the accused. He is a young person with young family. He is also remorseful and pleads for leniency. I note that the probation report recommends non- custodial sentence. However this is a serious offence and of gender based violence on women. I will therefore mete out a jail term. But as he has been in custody for 6 years, I will sentence him to serve a jail term of 10 years. Sentenced accordingly under Section. 204 of C.P.C
