

REPUBLIC OF KENYA

IN THE HIGH COURT OF KENYA AT NYAHURURU

CRIMINAL REVISION NO.27 OF 2017

PETER NJUGUNA GAKIRI.....APPLICANT

- V E R S U S -

REPUBLICRESPONDENT

REVIEW ORDER

This file has been placed before me based on the letter dated 4/8/2017 written by Hon. Ndege. Hon. Ndege took all the evidence by the witnesses in this case including the defence. After the close of the defence case, the magistrate sought to recall PW4. After that, the magistrate was transferred from this station. The case was mentioned severally by other magistrates and the prosecution has indicated that it is not able to avail the said witness. Since the case was determined by Hon. Ndege, it is only proper that this file be placed before him for writing of the judgment based on the evidence he had recorded earlier.

It is so ordered.

Dated, Signed and Delivered at Nyahururu this 19th day of December, 2017.

R.P.V. WENDOH
