

REPUBLIC OF KENYA

IN THE HIGH COURT OF KENYA

AT NAKURU

CRIMINAL CASE NO. 86 OF 2013

REPUBLIC STATE

VERSUS

KANYARA KARANJAACCUSED

RULING

The accused herein **JOHN KANIARA KARANJA** has through his advocate **MS KERUBO** has renewed his application to be released on bail during his trial. The application is not opposed by the prosecution.

On 16/12/2015 the High Court declined to grant the accused bail relying of a pre-bail report which indicated that the accused had no fixed abode.

After this application was made the court sought a further pre-bail report which report dated 7/12/2016 was filed in the court on 8/12/2016. This report indicates that accused has a home in Kipipiri where his parents live. The Chief of Mawingu Location, Miharati, one **Ben Thuita Irungu** has by his letter confirmed this fact. It would appear then that the accused has a home and is not in the circumstances flight-risk. I therefore allow his application for bail.

Accused **John Kanyara Karanja** may be released on a bond of Ksh 500,000/= plus one surety of like sum.

Dated in Nakuru this 16th day of December, 2016
