

**IN THE HIGH COURT OF KENYA**

**AT NAKURU**

**PETITION 48 OF 2014**

**COUNTIES EFFICIENCY DEVELOPMENT.....PETITIONER**

**VERSUS**

**COUNTY GOVERNMENT OF NAKURU.....RESPONDENT**

**RULING**

It has been agreed and conceded to by all parties that this petition has now been overtaken by events as the process of Wifi connectivity has been commenced in Nakuru Town and is still ongoing. The only outstanding issue is that of costs. The petitioners have through their advocate indicated that they no longer wish to pursue this petition. They ask for costs.

I have perused the petition as well as the replies thereto. I note that the remedies sought by the petitioners did not include the actual Wifi connectivity but they were seeking information regarding the manner of disbursement of funds allocated for this project. It would appear that with the commencement of the connectivity project by the 1<sup>st</sup> respondent the petitioners are mollified and no longer wish to pursue this information. They have in effect abandoned their petition. In the circumstances I do not feel that the petitioners are entitled to costs. I therefore direct that each party will bear its own costs in this matter. It is so ruled.
