This application is dated 18th June, 2014 and seeks orders:

1. *That the Honourable Court be pleased to make orders that the County Council Government of Nyambene be replaced with the County Government of Meru in this proceedings as the respondent.*
2. *That costs be in the cause.*

I find that this is a facilitative application and it does not prejudice any of the parties. I do allow it. The applicant should replace the County Council of Nyambene with the Meru County Government within 21 days.

It is so ordered.
