2. The subject child, Baby C A N, was born on 26<sup>th</sup> September 2009 at the Ngong Sub-District Hospital, abandoned there by her birth mother the matter of the abandonment was reported at the Kenyatta Police Station. The child was thereafter admitted at the New Life Home Trust, Kilimani, on 18<sup>th</sup> December 2009, and she was later to be formally committed there by the Children's Court. She was placed with the applicants on 9<sup>th</sup> August 2011 for the bonding period. The biological parents of the child were never traced.
3. This adoption is being arranged by the Little Angels Network adoption agency. The said adoption agency declared the child free for adoption through their certificate of 19<sup>th</sup> May 2010.
4. To facilitate this adoption, the applicants have been assessed by the Little Angels Network adoption agency, the guardian *ad litem*, Pastor Al E O and the Director of Children Services. All three have compiled and filed their reports in court. The report by the Director of Children Services dated 3<sup>rd</sup> May 2012, while that by Little Angels Network is dated 31<sup>st</sup> March 2010. The report of the guardian *ad litem* is dated 19<sup>th</sup> June 2012.
5. All these reports are favourable and recommend the proposed adoption. The applicants have demonstrated that they have the financial and emotional capability and capacity to take care of the child. The child appears to have bonded well with them and she considers them to be her parents.
6. In the opinion of this court it would be in the best interests of the child that she is adopted by the applicants. Consequently, the applicants shall assume all parental rights and duties of the biological parents in respect of the adopted child; they shall treat the adopted child as if she was born to them. The applicants have been made aware that once the adoption order is made it shall be final and binding during the lifetime of the child and that the child shall have the right to inherit their property. The applicant cannot give up the child owing to any subsequent unforeseen behaviour or other changes in the child.
