

**REPUBLIC OF KENYA**

**High Court at Nairobi (Nairobi Law Courts)**

**Adoption Cause 268 of 2012**

**IN THE MATTER OF THE CHILDREN'S ACT**

**(NO. 8 OF 2001)**

**AND**

**IN THE MATTER OF BABY A.M (MINOR)**

**JUDGEMENT**

The applicants, N.J.P. and L.C.P., are a married couple of Swedish origin. They have brought an Originating Summons dated 22nd November 2012 seeking permission to adopt Baby A.M.

Baby A.M., the subject of these adoption proceedings, is an abandoned male child. He was found abandoned and the matter was reported at the Kericho Police Station and efforts to trace the parents were fruitless. The Children's Court committed him to [information withheld] from where he was placed with the applicants on 21<sup>st</sup> August 2012. There is sufficient documentation which supports this background prepared by and filed in court by the Little Angels Network adoption society. The Little Angels Network adoption society freed the child for adoption by their certificate dated 12<sup>th</sup> October 2011.

To facilitate the adoption the applicant has been assessed by the guardian *ad litem*, M.W.M. and the Director of Children's Services. The two have compiled and filed their reports in court dated 11<sup>th</sup> January 2013 and 21<sup>st</sup> January 2013, respectively. There is also an international adoption home study report by the Swedish National Board of Health and Welfare dated 25<sup>th</sup> October 2011. All these reports are favourable and recommend the proposed adoption. The applicants have demonstrated that they have the financial and emotional capability and capacity to take care of the child. The child appears to have bonded well with the applicants and considers them to be his parents.

This proposed adoption has been approved by the Municipal Social Welfare Committee in Sweden. The certificate of consent is dated 3<sup>rd</sup> January 2012. According to the Swedish Migration Board document dated 11<sup>th</sup> August 2008 an adopted child below the age of twelve acquires Swedish citizenship. This is confirmed by the Swedish Friends of Children International Adoption Society; that a Kenyan adoption would be recognised in Sweden and the children given Swedish citizenship. The proposed adoption has also received local approval through the National Adoption Committee of Kenya, which has issued a certificate dated 18<sup>th</sup> July 2012.

In the opinion of this court it would be in the interests of the child that the child is adopted by the applicants. The applicants will be able to provide a home and a family for the child to grow up in and thereafter be a useful member of the family. Consequently, the applicants shall assume all parental rights and duties of the biological parents in respect of the adopted child; they shall treat the adopted child as if he was born to them. The applicants have been made aware that once the adoption order is made it shall be final and binding during the lifetime of the child and that the child shall have the right to inherit their property. The applicants cannot give up the child owing to any subsequent unforeseen behaviour or other changes in the child.

I am satisfied that all the legal requirements have been met. The court allows the applicants' application to adopt the child. The applicants, N.J.P. and L.C.P., are hereby allowed to adopt the child, Baby A.M.,

who shall be hereafter known as A.M.M.P. L.C.B. and A.M.P. shall be the legal guardians of the child should misfortune befall the applicants. The Registrar-General is directed to enter this adoption order in the adoption register. The guardian ***ad litem*** is hereby discharged.
