

REPUBLIC OF KENYA

IN THE HIGH COURT OF KENYA AT NAIROBI

ADOPTION CAUSE NO. 17 OF 2013

IN THE MATTER OF THE CHILDRENS ACT, 2001

AND

IN THE MATTER OF BABY H V

M O G1ST APPLICANT

A W M G.....2ND APPLICANT

J U D G M E N T

The applicants, M O G and A W M G, are husband and wife. They were married on 27th March 2004. The 1st Applicant is an Engineer while the 2nd Applicant is a Marketer. The Applicants have one biological child of their own. They however, wish to adopt a child. They have applied to this court to be allowed to adopt baby H V (the child). The child was presumed to have been born on 1st February 2012. She was abandoned at Nyamira. A report was made on the same day to Nyamira Police Station. The child was placed with New Life Home Trust- Kisumu on the same day for care and protection. She was committed by the Nyamira Children's Court to the custody of the said Children's Home on 29th February 2012 pending formal adoption proceedings. The Applicants were given custody of the child for mandatory foster care pending adoption pursuant to a foster care agreement which was signed on 10th September 2012. They took custody of the child on the same day. Since then, the child has been in the Applicant's custody and care.

Prior to the hearing of the adoption, Little Angels Network, an Adoption Society, prepared a report which is filed in court. They also issued a certificate declaring the child free for adoption. The certificate is dated 5th September 2012. The Director of Children's Services prepared a report which is on record. The guardian ad litem, M K K, prepared a report which has been filed in court. All the reports are favourable and recommend that the court allows the applicants to adopt the child. I have evaluated the facts of this adoption. This is a local adoption. It is evident that the applicants have fulfilled all the legal requirements pertaining to the adoption of the child. The consent of the biological parents of the child was dispensed with since the child was abandoned at birth. They cannot be traced to give their consent. This court is satisfied that the applicants are qualified and able to take care of the child. The home visits by the guardian ad litem, the Adoption Society and the Director of the Children Services established that the applicants have the financial capability to provide for the upkeep and education of the child. This court observed the Applicants with the child in court. It was evident that in the period that the Applicants have had custody of the child, the child has bonded well with them. The child considers the applicants her parents.

This court formed the opinion that it would be in the best interest of the child to be adopted by the applicants. I allow the Applicants' application for adoption. The applicants, M O G and A W M G, are hereby allowed to adopt Baby H V. Henceforth, the child shall be known as I H G. Her date of birth shall be 1st February 2012. Her place of birth shall be Nyamira, Kenya. G O G and P A A-G shall be the legal guardians of the child should such eventuality arise. I direct the Registrar General to enter this order in the adoption register. I hereby discharge the guardian ad litem. It is so ordered.
