

**IN THE MATTER OF THE ESTATE OF JOHN MWANGI GICHERE AND ELIZABETH  
WAIRIMU GICHERE**

**JOHN MWANGI GICHERE ..... APPLICANT/PETITIONER**

**VERSUS**

**JOSEPH KARAKU ..... RESPONDENT/OBJECTOR**

**DIRECTIONS/RULING**

I have combed this file inside out and in the process I have also considered this matter carefully. In the process, I note that as far as the Succession Cause is concerned, the record is clear that a grant was issued, confirmed, and the beneficiaries had the land transferred in their names.

In the circumstances, the succession limb is completed and nothing remains for this Court to do in respect thereof. The running battles between the Applicant and the Respondent in this matter, who are blood brothers, do not belong to the field of succession anymore and ought to be referred to other appropriate authorities and/or Courts for necessary action.

The parties are accordingly directed and should also heed their mother's homily in her notes, which she referred to as a letter, dated 14<sup>th</sup> January, 2007.

**DATED and DELIVERED at NAIROBI this 29<sup>th</sup> day of February, 2012.**
