I have read the application by chamber summons dated 3<sup>rd</sup> February, 2009 and supporting affidavit. I have also perused the judgment of Akiwumi, JA (as he then was) delivered in this suit on 17<sup>th</sup> December, 1993.

The application is not opposed in that no papers have been filed in response thereto despite service. There was also no appearance for the Defendant at the hearing of the application.

I have perused the decree as drafted by the Plaintiffs' advocates. Except for some typographical errors, I am satisfied that the decree as drawn is in consonance with the aforesaid judgment. The decree is therefore hereby settled as drawn by the Plaintiffs' advocates. There will be no order as to costs of the application. It is so ordered.
