RULING

I have carefully perused and considered the evidence adduced by the prosecution in support of the charge against the accused. I am satisfied that there is a prima facie case made out to warrant the accused being put on his defence. Pursuant to section 306(2) of the Criminal Procedure Code, I put the accused on defence. His counsel will indicate to court whether he will give sworn or unsworn evidence or remain mum and whether he will call witnesses.

Dated at Kakamega this 6th day of July, 2006.
