RULING:

I have gone through the applicants' application dated 30/1/04. it is stated to be under section 28 but does not indicate of which Act. The application itself does not make any sense. Ass. Chief Odera Omiti whom he wants to take responsibility is not a party to this suit. The suit itself was dismissed: One cannot therefore comprehend what the applicants' prayer is. Application is therefore dismissed.

Dated at Kisii this 28th September 2004.
