**CRIMINAL APPLICATION NO. 523 OF 1999**

**REPUBLIC ..... RESPONDENTS**

**RULING**

I would have been willing to adjourn the matter as Miss Myamosi is said to be indisposed since the Attorney General has never filed a replying affidavit three years since this application was put on record. I am inclined to agree with Nagpal that it is futile to adjourn the matter longer. The orders sought in the application filed on 23/11/1999 are hereby granted and made permanent in terms of the interim orders already granted. The terms on which the applicants were granted bail deemed appropriate.
