**RULING**

1. The applicant was charged and after a full trial convicted for the offence of obtaining money by false pretenses contrary to section 313 of the [Penal Code](#). She was sentenced to serve three years and six months.
2. She has filed the present application dated 10<sup>th</sup> January 2025 seeking revision of sentence. The grounds raised are that he is the sole breadwinner in her family who have suffered since his incarceration. She is remorseful for the offence committed. She has undergone rehabilitation. She urged the court to revise the sentence of the trial court to a non-custodial sentence.
3. I have considered the application, the grounds in support and the applicable law. From the record of the trial court, the court considered the applicant's mitigation, the time spent in remand custody and the fact that the applicant was a first offender before sentencing. Having considered the application in its totality. The sentence imposed was also legal in the circumstances of the case.
4. In my view I find no good cause or reason to revise the sentence imposed by the trial court. The application dismissed.
