RULING

1. The applicant filed an application dated 19th February 2025 seeking a sentence review, supported by an affidavit of the same date. He asserts that he is serving multiple sentences from various courts across the country and prays for their consolidation and computation.
2. The record indicates that the applicant was convicted in Kibera Chief Magistrate's Court in Criminal Case No. 2453 of 2014 and sentenced to one year, which he has already served.
3. This court lacks jurisdiction to review sentences issued by courts outside its territorial jurisdiction. Accordingly, the application is struck out.
