**AWARD**

1. The Applicant K.D.N has submitted the application dated 25<sup>th</sup> March, 2025 against S.M.N., who is the biological mother of G.J.N., as well as the 2<sup>nd</sup> and 3<sup>rd</sup> respondents, who are state officers.
2. The Applicant is seeking for the following orders;
  - a. That the Honourable Court be pleased to direct the 2<sup>nd</sup> and 3<sup>rd</sup> Respondents to remove, delete and/or strike out the name of the Applicant from the Birth Certificate Number 000XXX177 Entry Number 0264XXX642 belonging to GNJN (minor);
  - b. That this Honourable Court be pleased to direct the 2<sup>nd</sup> and 3<sup>rd</sup> Respondents to issue the child with another Birth Certificate which does not bear the name of the Applicant;
  - c. That cost of this application be provided for.
3. The 1<sup>st</sup> Respondent attended Court at the hearing of the application and stated that she had no objection to the orders sought.

4. The 2<sup>nd</sup> and 3<sup>rd</sup> Respondents entered an appearance but did not file a response, and neither attended the Court session at the hearing.
5. The application was treated as unopposed.
6. The facts disclosed on the face of the application indicate that the Applicant's name was recorded as the biological father of the Child at birth, a designation made at the request of the 1<sup>st</sup> Respondent. Subsequently, a DNA test was conducted at the Applicant's initiative, and the results, included as an annexure to this application, conclusively demonstrated that the Applicant is not the biological father of the Child.
7. The 1<sup>st</sup> Respondent did not oppose the application, which may indicate an acknowledgement of the issues raised. The parties involved are not legally married, and there is no evidence to suggest that their romantic relationship still exists or that they share living circumstances. Consequently, there is no basis for inferring any acquired parental responsibility over the Applicant.
8. Disposition;
  - i. The Application dated 25<sup>th</sup> March, 2025 is allowed with no order as to costs.
  - ii. The Applicant's name shall be deleted from the Child's birth certificate.
  - iii. The 3<sup>rd</sup> Respondent shall issue a new birth certificate for the Child that does not include the name of the Applicant. In doing so, the 3<sup>rd</sup> Respondent will have the discretion to include any pertinent information that may be relevant for the entries on the birth certificate, ensuring that all details are accurate. This process aims to uphold the integrity of the Child's identity while complying with legal standards.
9. It is so ordered.
