**RULING**

1. Following a plea of guilty the Applicant was convicted and sentenced to a fine of 50,000 in default 6 months for an offence of cutting and removing forest produce without authority contrary to Section 64 (1) of the *Forest Conservation and Management Act* 2016. She has now moved this court for a revision of that sentence in terms of Section 362 of the *CPC* as read with the community service order Act seeking non-custodial sentence.
2. I have read and considered the record and I am of the considered view that this is a fit case for review of the sentence and have it substituted with a non-custodial sentence of 1 month to be placed under C.S.O for 1 month at Chagaiya Dispensary. The Community Service Officer shall ensure compliance with the orders including giving credit to the period in question which shall be carried on at the Public Institution where this order shall apply.
