**RULING**

1. The application dated 20<sup>th</sup> June 2025 is not certified urgent. Nonetheless, this is a public procurement matter which is time bound. The proceedings have to be heard and determined within 45 days of the date of filing in court. The court must therefore consider the application expeditiously.
2. I have perused the chamber summons dated 20/6/2025, the grounds, statutory statement, verifying affidavit and annexures thereto. I am satisfied that the application which seeks leave of court to challenge the decision of the Public Procurement Administrative Review Board rendered on 11/6/2025 is not frivolous.

3. I grant leave to the applicant to file and serve the substantive notice of motion by close of business on 23/6/2025 and in a fresh Judicial Review file.
4. This file is closed.
