RULING

1. The Applicant applied for review of his sentence to this court.
2. The Probation Officer filed a Sentence Review Report which states that the Applicant is in need of medication after having undergone a hip replacement.
3. The report is favourable and I find there is good reason to review the Applicant's sentence to enable him to undergo further treatment.
4. Since the Applicant is remaining with three and a half months to complete his sentence, the review application is allowed and the sentence is reduced to the period already served.
5. The Applicant to be released forthwith unless lawfully held for any other reason.
