REPUBLIC OF KENYA
IN THE HIGH COURT AT NYERI
FAMILY CAUSE 230 OF 1997
MA ODERO, J
NOVEMBER 4, 2024

RULING

1. This matter was pending judgment. Although the court directed that the matter be disposed by way of written submissions, I have now perused the file and the written submissions filed. Upon further reflection it is my considered opinion upon further reflection that this is a matter that merits hearing by way of vive voce evidence at which witnesses will be called and cross-examined as there arise certain critical issues which need proper elucidation i.e the names and identities of all the beneficiaries and the circumstances under which the property LR AGUTHI/GATITU/174 was sub-divided and transferred.
2. For the above reason I have not prepared a judgement. The matter will be given an early hearing date as I am mindful of the age of this matter.

DATED IN NYERI THIS 4TH DAY OF NOVEMBER, 2024.

MAUREEN A. ODERO

JUDGE
