ORDER

I have perused the Notice of Motion dated 9th December 2021 and filed herein on 10th December 2021.

It is the same application filed in **BUNGOMA ELC APPEAL No 12 of 2020** in which a ruling is due on 20th December 2021. It is therefore not only an abuse of the process of the Court but is also res – judicata.

It is accordingly struck out.
