ISSUES FOR DETERMINATION

1. Whether the marriage should be dissolved

WHETHER THE MARRIAGE SHOULD BE DISSOLVED

10. Section 8 of the Matrimonial Causes Act provides;

8 (1) A petition for divorce may be presented to the court either by the husband or the wife on the ground that the Respondent—

(a) has since the celebration of the marriage committed adultery; or

(b) has deserted the Petitioner without cause for a period of at least three years immediately preceding the presentation of the petition;

or

(c) has since the celebration of the marriage treated the Petitioner with cruelty; or

(d) is incurably of unsound mind and has been continuously under care and treatment for a period of at least five years immediately preceding the presentation of the petition

10. The Petitioner herein relies on the ground of cruelty. It is sufficient to establish just one of the ingredients as there is no requirement that all four must be established. The Respondent has not controverted the allegations of cruelty. The standard of proof is on a balance of probability and I find that the same has been satisfied.

11. The Petition for divorce is therefore successful and orders issue as follows:

- a) That the said marriage is dissolved.
- b) A Decree *nisi* to issue.
- c) Costs herein to be paid by the respondent.

DATED AND DELIVERED IN ELDORET THIS 8TH DAY OF NOVEMBER ,2021
