RULING

1. I have considered the application for transfer of Bondo PM Cr. Case No. 691, 692 and 693 of 2019 to any other court of competent jurisdiction.
2. The fact that the accused is dissatisfied with the way the trial magistrate is conducting his cases is not reason for transfer as the applicant has not stated what has displeased him or in what manner the matters are being handled.
3. The application is found be devoid of merit and is accordingly dismissed.
4. File closed.
5. Orders accordingly.
