RULING

Distribution of estate

[1] On 5th February, 2018, this court ordered the district surveyor, Meru Central, to visit the estate landed properties and file a report on how they should be subdivided in order to give effect to the confirmation of grant issued by this court pursuant to the decision by the Court of Appeal. The surveyor filed his report dated 21st of May 2018 and annexed two labelled drawings on the proposed sub-division of each of the two estate properties. The report was not objected to by any party herein. I have considered the report. It has been made by a professional. Accordingly, I direct the confirmed grant herein shall be implemented in accordance with the said report in so far as it is not inconsistent with the grant. It is so ordered.

Dated, signed and delivered in open court at Meru this 4th day of July 2018
