Further to that order, the court ordered the trial court hears and concludes the case within six (6) months from the date the order was issued. On 1st September 2016, the trial court wrote to this court requesting for an extension of time to conclude the case. In exercise of this court's jurisdiction under **Section 362** as read with **Section 364** of the **Criminal Procedure Code**, this court grants the trial court a further six (6) months to conclude the hearing of the case. The court notes that the subject matter of the trial is complex. The trial court requires sufficient time to hear and determine the case. It is so ordered.
