There were two pending applications in this suit. One is dated 14.6.2013 and the other is dated 31.1.2014. Both were filed by the plaintiff. On 17.7.2014, the advocates for the parties presented a draft Consent Order, in the following terms, which they wanted the Court to adopt as its order:

1. **That the application dated 14th January, 2013 be allowed with no order to costs.**
2. **That the application dated 31st January, 2014 be allowed with no order as to costs.**
3. **That this Honourable Court do visit the lands in dispute along with the parties, their Advocates on record, the District Land Registrar, Nanyuki, and the parties private surveyors if they so wish.**
4. **That both parties to equally share the costs to facilitate the Honourable Court's and the Land officers attendance.**

The terms of this consent, which is duly signed by the advocates for respective parties, are adopted as an order of this Court.

To facilitate the implementation of this order, the Court's Executive Officer will accompany the land Officers and the parties during the site visit and file a report within 30 days.

It is so ordered.
