RULING

1. The Notice of Motion dated 15th May, 2025 seeks, inter alia that judgement be entered in terms of the Certificate of Costs and decree be issued in favour of the advocate/applicant. The application also seeks for an order that costs of the application be provided for.
2. The application was supported by the contents of the Supporting Affidavit sworn by Silvia Nyambeki Advocate. The application was not opposed. Affidavit of Service filed shows that the respondent was duly served with the application and hearing notice.
3. However, the court notices the discrepancy between the amount of Kshs.971,944.27 in the Certificate of Costs and the amount of Kshs.342,720.60 in the ruling of the Taxing Master dated 9th November 2023. There was no material placed before court to explain the discrepancy.

4. For the foregoing reason the file is hereby returned to the Taxing Master to draw Certificate of Costs in accordance with the ruling dated 9th November 2023 to enable entry of judgement.
5. Thereafter the file may be returned to this court for entry of judgement in terms of the Certificate of Costs.

Orders accordingly.
