**STATE LAW OFFICE..... RESPONDENT**

**RULING**

1. Having heard Mr. Meshack Ochieng, I now note that this court file was erroneously opened. The documents filed are not pleadings but documents which ought to have been filed in JR 414/2014. The latter matter is said to be pending Ruling before Justice Chigiti J, SC and the ruling is scheduled for 20/11/2025.
2. According to Mr. Ochieng, he tried uploading the documents onto file No. 414 of 2014 but he was unable hence the opening of a fresh file on the CTS just to transmit the documents into JR 414/2014. He states that the matter JR 414/2014 was before Justice Chigiti SC on 21/10/2025 when the learned Judge reserved it for Ruling and that he had frantically tried to upload the documents in vain.

3. That being the case, I direct that the documents which were filed in this new file by Mr. Ochieng be transmitted to Hon. Justice Chigiti S.C for purposes of the learned Judge considering whether to admit the documents in that file or not, after hearing Mr. Ochieng.
4. Meanwhile, as this file cannot operate parallel to JR 414/2014 which is live, merely for holding of documents that belong to JR 414/2014, this file is closed.
5. These proceedings and short Ruling be typed, uploaded to the CTS and transmitted together with the physical documents to Hon. Justice Chigiti SC, forthwith.
