RULING (EX-TEMPORE)

1. There was contestation over the question whether the firm of ***Roba & Associates LLP*** had been instructed to replace ***M/s Charles Kariuki & Kiome Associates Advocates*** as advocates for the plaintiff. The plaintiff has attended court in person and has testified on oath that he has no intention of replacing his advocates on record, ***M/s Charles Kariuki & Kiome Associates Advocates***.
2. Arising from the above testimony, ***M/s Roba & Associates Advocates***, through **Mr. Oginga**, have orally applied to withdraw the application dated

3/12/2025, through which they sought leave to replace the plaintiff's current advocates. The oral application is not opposed.

3. In the circumstances, the application dated 3/12/2025 is marked "withdrawn with no order as to costs".
