**RULING**

1. . The Court has considered the application dated 10/12/2025 and the submissions of counsel. The record shows that this matter was disposed vide a final judgment dated 31/5/2016. It is correct that the extract of the said judgment should be a decree and not merely an order.
2. . It is also true that the office of executive officer does not exist in the ELC Registry. The functions that were hitherto performed by Executive Officers are now vested in Court Administrators and Deputy Registrars.
3. . Consequently, the Court is satisfied that the orders sought are merited. A decree shall be extracted out of the judgment of the court and the authority to execute shall be vested in the Deputy Registrar of the Court. The application is allowed in the above terms.
4. . Orders accordingly.
