

**REPUBLIC OF KENYA**

**IN THE ENVIRONMENT AND LAND COURT OF KENYA AT ELDORET**

**E & L CASE NO. 266 OF 2014**

**JOYCE NIKAORE KHAMALI.....PLAINTIFF**

**VERSUS**

**KRISHOM CHEPMWOK.....DEFENDANT**

**RULING**

The plaintiff has filed the application dated 16<sup>th</sup> July, 2018 praying for orders that there is an arithmetical mistake in the court's judgment dated 27<sup>th</sup> February, 2017. He prays that the Decree of the court be corrected. The application is made on grounds that there is an error apparent on the judgment of the court. The court made an order for double payment.

I have considered the application and do find that there is an error in my judgment dated 27<sup>th</sup> February, 2017.

I do correct the same by deleting line 2 at page 7 from the word "and" to "above" and retain the "full stop". Thus, the deleted statement is "and an order of payment as in paragraph 4 and 5 above. No orders as to costs.
