REPUBLIC.....
RESPONDENT

RULING

1. The applicant was charged and after a full trial convicted for the offence of dealing in wildlife trophy without a permit contrary to section 92(2) of the Wildlife Conservation and Management Act, 2013. He was sentenced to serve seven (7) years imprisonment.
2. He has filed the present undated application seeking revision of sentence. The grounds raised are that he is remorseful for the offence committed. He has undergone rehabilitation. He urged the court to revise the sentence of the trial court to a non-custodial sentence.
3. From the record, he filed a similar application in Misc. Criminal Application No. E057 of 2025 and the court dismissed his application on 12th May 2025. The court further directed that he should not file a similar application without leave of court.
4. The applicant has now filed the present application seeking identical reliefs. This repeated filing of similar applications amounts to an abuse of the court process and serves no useful purpose.
5. Accordingly, the application is found to be without merit and is hereby dismissed. The applicant to serve his sentence to completion.
