**.....RESPONDENT**

**RULING**

1. The Applicant has filed an application dated 29<sup>th</sup> September 2025 in which he is seeking for revision of the orders of the trial court whereby the trial court allowed an application by the prosecution to recall 2 of its witnesses who had testified to produce some documents which they had not produced when they initially testified. The Applicant has however not provided a copy of the proceedings of the lower court so that the court can appreciate the application that was before the court and the reasons given by the trial court for allowing the application. The court is not in a position to proceed without a copy of the proceedings and the ruling of the trial court.
2. Consequently, I order that the proceedings of the lower court and the ruling of the court be availed to this court.
