RULING

1. The Appellant filed an application before the lower Court seeking stay of execution of a warrant of arrest and leave to settle the decretal amount in installments for the main reason that he is facing harsh financial challenges. The application is opposed. I have looked at the proceedings and read submissions.

2. The proposal by the Applicant is for payment of Ksh 50,000 a month for a decretal amount of Ksh 400,000. The judgement of the lower Court was rendered nine months away, that is on the 23rd day of July 2025. If the applicant had started making or saving the Ksh 50,000 per month, he would have settled the decree by now. The application is dismissed with costs.

**DATED DELIVERED VIRTUALLY AND SIGNED ON THIS 7TH
DAY OF MAY 2026**
