

REPUBLIC OF KENYA

ELC CASE NO. 1 OF 2013

KHADIJA MOHAMED
PLAINTIFF

VERSUS

AMINA THUBE & ANOTHER
DEFENDANTS

DIRECTIONS

The application dated **23rd February 2026** was, according to **limb no 2** of the raft of orders issued on 3/3/2026, to be served upon all the respondents and an affidavit of service filed, to pave way for its *inter partes* hearing. Both the physical record and the CTS records relating to this file do not evince any service on the respondents. Consequently, this court is not in a position to presume that the same has been served, and, on that basis, issue a ruling as scheduled. The ruling scheduled for today 14th May 2026 is therefore deferred and the issuance of new ruling date will await proof of service of the application. The matter shall be mentioned on **19th May 2026** for issuance of a new ruling date.

Dated, signed and delivered at Malindi on this 14th May 2026.

MWANGI NJOROGE
JUDGE, ELC MALINDI.
