**RULING**

1. The court is seized with the brief application for extension of interim orders. The 2<sup>nd</sup> Defendant has opposed the application but has failed to address the court why 3 weeks after coming on record there is no defence filed or pleadings responding to the application and the main suit. In the circumstances the court is left with only the application of the applicant which is not rebutted or controverted. I will therefore move to extend the interim orders and also grant prayer No. 5 of the application.
2. Further I direct that the application dated 12/04/2024 be disposed with through written submissions. The respondents are granted 7 days from the date hereof to file their responses. Upon service the applicant is granted 7 days to file their written submissions and a further affidavit if need be and serve. Upon being served the Respondents are granted 7 days to file their submissions. This being an environmental matter it is first tracked and the ruling shall be delivered on 8/07/2024.
