R U L I N G

This is an inter-partes hearing of an application for urgency. I have heard nothing to show why or how this application is urgent. The judgment intended to be appealed against was delivered on 13th October, 2000. I have not been shown that the appeal is arguable or that it will be rendered nugatory if this application is not heard urgently. For the grounds set out in **para 10** of the supporting affidavit, I am, in addition, satisfied there is no urgency.

Application refused with costs.

Made and delivered at Nairobi this 15th day of August, 2002.
