

REPUBLIC OF KENYA

IN THE EMPLOYMENT & LABOUR RELATIONS

COURT OF KENYA AT NAIROBI

CIVIL APPEAL NO. E074 OF 2020

RICHARD MOGIRE.....APPELLANT

VERSUS

LE PALANKA RESTAURANT.....RESPONDENT

JUDGMENT

1. The Appellant was directed to file a supplementary record of appeal as his memorandum of appeal in the Court record is incomplete. To make matters worse, the record on the Judicial Case Tracking System (CTS) has only one page of the entire record of appeal. The Appellant appears in person but that is not a saving grace as he too like every represented litigant must comply with Court orders and directives. The Appeal record being incomplete is unfit for determination and is accordingly struck out for missing a critical document which is the entire Memorandum of Appeal as only one page was attached showing grounds 1-7. There shall be no order as to costs.

It is so ordered.
