

REPUBLIC OF KENYA

IN THE EMPLOYMENT AND LABOUR RELATIONS COURT AT NAIROBI

CAUSE NO. 1393 OF 2017

ADAM MILLER.....CLAIMANT

VERSUS

WS INSIGHT LIMITED.....RESPONDENT

RULING

1. The application before the court is the respondent's Notice of Motion dated 7.3.2019. It seeks stay of proceedings herein pending appeal. The appeal challenges the ruling by Justice Maureen Onyango delivered on 26.10.2018 by which the court dismissed the respondent's preliminary objection.
2. After careful consideration of the matters raised in the application and the fact that the trial judge is still in the station, I decline to determine the application. Consequently, I refer the application to the trial court for determination.

Dated, signed and delivered in open court at Nairobi this 17th day of January, 2020.

ONESMUS MAKAU
