CRIMINAL REVISION 63 OF 2024

**RULING**

1. The applicant filed the present application vide a letter dated 28<sup>th</sup> August 2024 and received by this court on 25<sup>th</sup> February 2025. The applicant is seeking a review of the orders issued by this court on 15<sup>th</sup> July 2024, computing his sentence less by eight (8) months and twenty-one (21) days pursuant to the provision of section 333(2) of the *Criminal Procedure Code*.
2. The applicant was arrested on 13th March 2021 and remained in pre-trial custody until the conclusion of his case on 22nd February 2024. As a result, he was in custody for a total of two (2) years, eleven (11) months, and seven (7) days. However, a computation error occurred in the ruling delivered on 15th July 2024, where it was incorrectly stated that the sentence should be reduced by eight months (8) and twenty-one (21) days.
3. This error is now corrected, and the sentence shall, in fact, be computed with a reduction of two (2) years, eleven (11) months, and seven (7) days, reflecting the correct period the applicant spent in pre-trial custody.

Orders accordingly.
